

Toolflex One Motion replaces old holders

Toolflex Motion P-03
Discontinuing 2023

New! Toolflex One Motion P-04
Available now!

Mounted on cleaning trolley with adapter and tube clamp.

Mounted on Toolflex One rail or directly on the wall with adapter.

Advantages Toolflex One Motion:

- "One-size-fits-all" holder covering Ø15-35mm.
- No more broken grippers due to misuse.
- Only one size of holder to keep in stock.
- Mounted with (or without) current tube clamp.
- Click 'n go design - easy to remove for e.g. cleaning.
